¹ The state sales tax was established in 1967; the tax rate went from 4% to 5% on July 1, 1990; retail food sales were exempt from the sales tax in 1983; state sales tax rate returned to 5% on July 1, 1999; went to 5.5% on October 1, 2002, and remained at 5.5% after October 1, 2003. In both October 2002 and 2003, the sales tax was expanded; major expansion occurred in 2003, when a sales tax was applied to the labor costs portion of real estate construction or repair. The following year some construction labor

² The monthly totals are not revised, so annual totals may not equal the sum of the months.
